System Advantage™ Platinum ROOFING LIMITED WARRANTY

NEW

A healthy roof consists of many parts. With the **NEW** System Advantage™ Platinum Roofing Limited Warranty,* every component—including installation—of your Owens Corning™ Roofing System is covered by an extended warranty, **including Lifetime^ warranty on workmanship coverage**. It's a smart way to help ensure your investment is protected for years to come.

Peace of mind

System Advantage™ Platinum Limited Roofing Warranty* has up to a 50-year “non-prorated” period where there is 100% coverage for both material defects and labor to repair or replace them, where most standard warranties have a 10-year non-prorated warranty period. With the System Advantage™ Platinum Roofing Limited Warranty,* you can rest easy knowing you have this extra coverage for a longer period of time.

In addition, you will receive a Lifetime^ of workmanship protection. Meaning, if your roof is found to have an application error, we will arrange to have it repaired, with labor, materials, tear-off and disposal costs all being covered. Owens Corning Roofing & Asphalt stands behind your roof for Life.^

Performance

It takes more than shingles to create a high-performance roof—it takes a system of products designed to work together. Owens Corning™ Roofing Essentials® Accessory Products are engineered to work with our shingles to provide maximum performance and durability. Check out the diagram on back to see the complete Owens Corning™ Roofing System.

Coverage

The System Advantage™ Platinum Roofing Limited Warranty* provides 100% coverage for both material defects and the labor to repair or replace them, including tear-off and disposal. Additionally, most Roofing Essentials® Accessory Products take on the warranty of the shingle installed**—in many cases this extends their warranty period.

One-time transfer*

Whether you're staying in your home for years to come or planning to sell, the System Advantage™ Platinum Roofing Limited Warranty is transferable* making it an excellent investment. If you're planning to sell, this warranty may provide a highly desirable benefit to future home buyers.
